E Print Solutions joins American Solutions for Business under Denver Hub

Glenwood, MN – June 8, 2023 – American Solutions for Business has been joined by E Print Solutions (EPS), a Colorado-based marketing solutions distributor. EPS was founded by Emily Brewer in 1998 as a print distributor, but has grown into a full-service provider for print, design, promotional products, apparel and signage.

“From the first time I met Larry and Justin Zavadil nearly 10 years ago, I was impressed with their culture and forward-thinking philosophies on technology solutions,” expressed Brewer. “Merging our team with ASB allows us to bring our collective years of experience to one of the best powerhouses in the industry. We also get to keep our hands on boutique services while providing advanced technology, product development and sourcing.”

EPS is a certified Women’s Business Enterprise and will be joining the Denver Hub. The team also includes Sales & Marketing Specialist, Ariana Miller, and Sales Support Representative, Jennifer McHugh.

“It’s a wonderful feeling when friends become coworkers,” explained ASB President, Justin Zavadil. “They already have the passion we look for on our teams and anticipate them thriving in the American family.”
